

Outskirts of Hollan  
One of Kingdom Earthside's  
three retainer families,  
Louden Family Mansion

How can it be so big like  
you be called the best...?

Get out of  
my sight

LONE MANGA!

LONE MANGA!

This soup is a  
bit much for you...

...

...Hm...

LONE MANGA

Ah, this...

I refused the  
general's command  
to join the subjugation  
army to deal with the  
southern rebellion  
against slavery, so  
he hit me.

Rather— No, I  
mean, General Loken  
has a... fascinating  
personality, you see...

I'll be fine,  
soon enough.

One good thing about becoming a Contractor is that you get a sturdy body.

...But hands are still weak.

Didn't hear

We need to go to the central station right? Are there any drivers from the Killarvin Platform going with you?

Have you eaten yet?

Alfred Dasher,  
Hollon Mass Store

You said there  
were new items in  
store, you? Bring them  
all in and inform  
Me. Let that I come.

You Missy! Please  
wait a moment.

Missy!  
Missy!

!!

LOVE MANGA!

Oh my-

Love & Death

*We meet again!!*

*I see the two of  
you are still together?  
You look great!*

*Oh my, would you  
look at the way you're  
dressed! I suppose  
light clothes are best  
if you're on the run,  
aren't they?*

I'd love to be able to  
dress like commoners do and  
roam around, too...

The kingdom's  
public order is  
quite good.

so it must be quite  
risky to go to a place known  
by none and peacefully handle  
and sleep. Washing yourself in the  
rivers doesn't sound bad,  
either...

**Wait!**

LOVE MANGA

Was it you??  
Were you the  
one who killed  
Vic James?

Oh, there's  
no way I could  
lose.

Aren't you the  
one who did it? That's  
why you're running  
away, right?

LOVE MANGA!

She's feigning  
ignorance despite  
knowing everything...  
She's the culprit,  
but why...?

Don't try to twist  
my words! You know that  
I did nothing wrong, and  
you're the only one who  
could've done it.

Is it because of  
the real you took?

Or was there  
another reason?

How could you lie  
with such a face...?

How arrogant!

TAP!

It's thanks to me that you're now the "romantic couple on the run from a tragic accident," isn't it?

I've spared you my grace; yet come to me in a raging fit!

What have I done wrong?!

You lowly beings...!!

I had to know something from Mr. James!!

But because of what you did, everything is completely ruined!

Oh...

Oh my, my, my, my!

So the three of you were in a love triangle? You should've told me—

I'm so sorry for what I did, but the dead can't come back to life, so just forget about him and live happily with the young next to you.

He's much more handsome and young, isn't he?

Chokocho

My words aren't going through to her.

She's only saying what she wants to see, and has no intention of listening to what others have to say.

She just killed a person off-handedly, yet she I don't sense a hint of guilt coming from her. Rather, she's self-content, so she's happy...

What kind of person is this?

ONE MARCH!

Someone's coming.

I was too careless.

I found her  
by the robe she  
was wearing.

but I should've  
found some evidence  
or witness against  
her. My words are  
falling on deaf ears.

If this goes on, we'll  
really be blamed for  
everything and get  
charged murder instantly.

COME MANGA!

No.

I can't let Rainak  
get involved because  
of my mistake.

At least until the  
longtime settles down..

If we get out of  
the capital, we can  
call Dorian for help.

As long as they're  
not Contractors, we can  
offer the citizens' testimonies  
to make them closer to  
justice level.
